

“YOUR TEAM EVENT”

IF THERE'S A NEED FOR A FEW MORE...

In the world of event technology it happens so many times that a greater number of technicians and road team is required - we have the solution for this!

Operating in Hungary since 2004, our company offers experienced support staff for conferences, concerts and other monumental events that require event technology. From stage construction to rigging, we are ready to serve you with a professional road team, and with technicians experienced in sound and light technology! Feel free to contact us!
