”

THERE ARE THOSE WHO LOOK AT
THINGS THE WAY THEY ARE, AND ASK
WHY...

I DREAM OF THINGS THAT NEVER
WERE, AND ASK WHY NOT?

“

ROBERT F. KENNEDY

I ASK: WHY NOT?

Since May 2004, we go, we bring and take, we climb high, we hang, we build and disassemble. About 200 times a year, at a wide variety of events, both at home and abroad. On our wide palette of services you can find everything you need at an event. Our references and loyal customers are more than guarantee to the successful cooperation in the future.

I ask: why would not you choose EventStudio as your technical partner for the following event of yours?

RELIABILITY

Why would not you prefer a provider whose main value lies in its reliability? In our investments the primary viewpoint is high quality and 100% reliability. Do not take any risks!

EXPERIENCE

Why would not you entrust experienced event professionals? Our colleagues are highly qualified technicians, who has excellent professional competences both in theory and practice. Choose professionalism!

COMPETITIVE PRICES

Why would not you work with a company that thanks to its own fleet of technical devices helps to realize your ideas with a flexible attitude to pricing? Do not spend unnecessarily!

RELIABILITY?

Check our list of partners through our web site. From the Allianz to the Erste Bank, from the Múcsarnok to the L'Oreal so many business relationships demonstrate that reliability is an extraordinary value in the world of events.

EXPERIENCE?

On our blog we regularly post a few lines and some photos about the events in which we took part with our fleet of technical devices. It is no exaggeration: you can find more than a thousand posts on our website as well as on our previous blogspot. We call the practise gained here: experience.

COMPETITIVE PRICES?

We play with open cards from the very beginning – the prices of our services are found in the detailed list of prices. There aren't any hidden costs, only discounts. Our own fleet of technical devices makes it possible that you are able to order from one place for a much better price than you ever did before.
